Reminders

- Please can we remind parents to try and remain a safe 2m distance during drop off and collection, we do recommend you wear a mask for everyone's safety.
- Our children and our community are really working towards 'clean air' around schools and so we kindly ask you to please switch your car engines off once parked, however can we ask parents not to take this matter into their own hands, thank you.
- Please be aware that members of the local community have reported large numbers of families in the park after school and have said that they will take action if they do not see the rule of 6 and social distancing measures in place.
- Dinners—May we please remind all parents that if you would like your child to have a school meal, you must book it on Parent Pay. You can book ahead, you don't need to do this each morning. It is essential that we know which children require a meal whether paid, free school meal or R, Y1, Y2 Universal Free School Meal. Please check your email's with instructions on how to do this.
- Also, we are seeing children bringing in unhealthy foods in their lunch boxes such as meal deal sandwiches with crisps and chocolate and fried chicken. Can we please remind parents we are a healthy eating school. Please provide your child with a range of different foods. Thank you

Can we please ask that any correspondence to the school should be put in an email to the following email address: enquiry@radlbarn.bham.sch.uk. Many thanks to all of you for your co-operation with this.

Bikes

Unfortunately, a red Frog Bike has been taken from the bike rack. Can we please remind parents if you choose to leave your child's bike/ scooter at school, it is at your own risk. We cannot take responsibility for loss or damage and strongly recommend that you use a bike lock. If anybody has any information on the missing bike please contact the school office . Thank you
