Children's health and well-being

Everyone has been working so hard to help to improve and raise awareness of children's health and well-being this week. For some ideas for the little extra things to do please see

Bug club

As part of home learning from Reception to Year 6, children have access to reading books through Bug Club. Teachers have set books specifically to your child's age and stage of learning - please read with your child each week using the Bug Club eBooks (this is on the weekly home learning timetable and is part of home learning each week). Teachers will be logging on regularly to see who is completing the books and quizzes. Please contact the school office if you need a username and password reminder for your child.

Virtual Times Table Rockstar's Day

Friday 12th February will be Raddlebarn's 'Virtual Times Table Rockstar's Day' - keep an eye out on your class Padlet for lots of maths activities. It would be lovely if your children could dress up as your TT Rockstar's character and post your picture onto Padlet! Children will be taking part in Times Table battles throughout the day. In the meantime, keep practising on TT Rockstar's in preparation for Friday!

May the best Times Table Rockstar win. Good luck everyone!

Music Curriculum for Remote Learning

We hope that everyone has enjoyed the music and the fabulous activities set this week on YUMU with Charanga. We know that the pupils in school certainly did! There is lots of fun learning and the games will keep you moving! If, by any chance, you need reminding of your username or password, please contact the office.

Dance

Hope you are all getting on well with the Year group dances - lots of you have been posting videos and photos of yourselves practising the dances on the school Padlet. We love seeing them so keep them coming. Look out next week for tutorial 2!

Let's Get Moving!

Safer Internet Day

A quick reminder-

On Tuesday 9th of February, we will be celebrating 'Safer Internet Day 2021', the theme is: 'an internet we trust: exploring reliability in the online world.'

Next week, there will be a Safer Internet Day newsletter posted to you to give you more details about the celebration.
