Well, it has been a sea of red here in school today! It is wonderful to see so many children supporting Comic Relief and wearing something red. We will be counting the donations early next week and we will let you know how much we have raised – Thank you all very much for your generosity.

## Attendance

Congratulations to RP, 3L & 5C  
with 100% attendance this week!

Our whole school attendance for this week is  
96.27%

From September 2020 to today, attendance is  
94.7% so we still have a way to go to hit our target of 97% by July.

Please continue to remind your children about  
the importance of attending school each day (and  
on time!)

## The Healthy Schools - Bronze Award

We are really pleased to announce we have achieved The Healthy Schools Rating Scheme Bronze award. The Healthy Schools Rating Scheme has been designed by the Department for Education to recognise schools' contributions to supporting pupils' health and wellbeing.

It celebrates the positive actions that we are delivering in terms of healthy eating and physical activity, and aims to help us to identify useful next steps in our provision. We are really pleased we have achieved this even with the adaptations we have had to make to school sports this year. A big well done to all of the children and staff at Raddlebarn!
