## **Homework**

We loved reading your Red Nose jokes last week - they made us chuckle. Thanks to those who posted on the school padlet.

Homework Heroes for were Kamran (4H) and Holly (2G).

**This week's homework is a really important one as it is about designing a new school logo! We would like the logo to reflect us as a school and what we stand for so we thought it was important to ask our pupils! We are really keen for you to share your ideas and can't wait to see what you come up with.**

**We can't wait to see how creative you can be...**

## **Muntz Park**

Sadly, we started this week off with a number of complaints from the local community and other parents regarding our families not socially distancing in the park after school. This is a real concern as we are doing our best to follow government guidelines within school. We cannot stress enough how important it is to maintain social distancing to keep us ALL safe.

On another very worrying note there have been a number of incidents brought to our attention of children from our school fighting in the park whilst wearing our school uniform. Firstly, these behaviours do not uphold our school values and our children need to be respectful of all. When children are wearing school uniform they are representing the school and must still follow our values and behaviours. Could we also remind parents that when your children are playing in the park to please keep an eye on them so events like this don't happen again.

**Reminder:** Restrictions change on Monday 29th March but this is in no shape or form a green light for everyone to start mixing together. The government will allow 2 households with a maximum of 6 people to meet in an outside space. Can we please be respectful of this and play our part during such a difficult time.
