Welcome back!

We hope you all had a lovely Easter break! It has been great welcoming all the children back with huge smiles on their faces. The weather has been kind to us this week and its been wonderful to see the children getting outside as much as possible.

Just a reminder that children are only to bring in lunch bags/labelled medications and water bottles-no bags or personal items are to be brought into school from home. For our children's safety could we also ask that children do not wear any jewellery to school.

Attendance

Congratulations to 1J and 3A with 100% this week!

Our whole school attendance for this week is 96.78% which is brilliant.

Please continue to remind your children of the importance of coming to school each day and being on time.

Keeping Active – Keeping Healthy

Everyone has been working so hard to help to improve and raise awareness of children's health and well-being over these last few weeks. For some new ideas of little extra things to do please follow this link for part 9...

Could we ask parents not to smoke in the queue when dropping off and collecting your children as this is causing discomfort to other parents. We are promoting a clean air environment.

Thank you for your cooperation.

Bikes in School

We love that so many of our children cycle to school! Due to the current situation parents are not able to come on site when dropping their children off in the morning. Could we please ask that our children are able to lock their bikes away; without parent or teacher assistance to allow a smooth flow into school.

Face masks

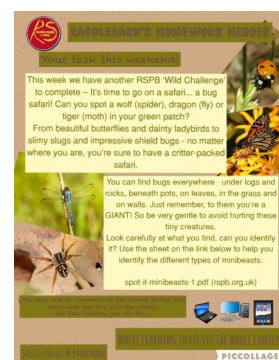

Face masks **MUST** be worn when dropping off and collecting your children, put your mask on in the car or when approaching the line to enter school. We all need to work together and keep everyone as safe as we can.

Homework

This week's homework is all to do with having your own **Wildlife Safari** - we can't wait to see all of your pictures on the school Padlet, showing us what you have found! We are working towards the RSPB award and this is one of the **Wild Challenges** that they have set for us !

Good luck and enjoy as a family!
