Raddlebarn in Bloom

Last week Year Six pupils wrote letters asking local businesses for donations of potted plants or planters. Our aim is make the playgrounds and school garden a beautiful, green outdoor space - our very own 'Raddlebarn in Bloom!'

You can read one of our pupil's letters - it's attached in the newsletter email. If you know of any local businesses who would potentially be interested in donating a plant, please pass this letter on. We would be hugely grateful!

If you have any questions about this, please speak to Mrs Brill in Year 6 via enquiry@radlbarn.bham.sch.uk

Keeping Active – Keeping Healthy

Everyone has been working so hard to help to improve and raise awareness of children's health and well-being over these last few months. For some new ideas of little extra things to do please follow this link for part 10...

Reminders

- Children may only bring bottled water to school in their water bottle, no squash or juice is allowed.
- School will be closed on Monday for Bank Holiday and Thursday 6th for Polling.
- Next week the city council will be providing cones to stop cars parking outside school on Umberslade Road.

We hope you all have a wonderful Bank Holiday weekend and we will see you all bright and early on Tuesday morning!

Could we ask parents when dropping off and collecting their children—NOT to park on the yellow zig zags outside the school gates. This is a safety hazard and puts the children in danger.

Homework

This week's homework is a cooking one which links to the Raddlebarn Bake Off event:

We would like you to draw a healthy meal with a summer theme. It could be anything from a special family meal to your own favourite meal. If you're feeling extra creative you could also make your meal at home with an adult and take a photo of it! We can't wait to see your creations and see how creative you all can be! Enjoy!

Homework Heroes

This week's Homework Heroes are Arthur 5C and Winston in 1SH. Well done!

Spring Proms Concert

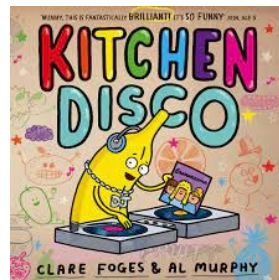

A huge congratulations to all of our talented musicians who performed in the recent Spring Proms online concert organised by the Birmingham Music Service. You were amazing and should be very proud of the way you played. It takes a lot of hard work and determination. Well done!

Reading Raver Recommendation

One of our Year 4 Reading Ravers, Harrison, recommends **Kitchen Disco by Clare Foges and Al Murphy. Why don't you check it out?**

Kitchen Disco is a really great book. The book is set at night, when everyone is sleeping - fruit wake up in your house and come alive! Then they party all night in your kitchen. Each fruit has their own personality and does party tricks. My favourites are the tangerines, who bounce around and lose their juice. I like this book because it is funny, silly and you can dance along to the story. I would recommend it to everyone because it is very humorous!

Bug Club reading at home

As we are unable to send home reading books out at the moment, for your child's reading homework, please read with your child each week using Bug Club eBooks. Teachers will be logging on regularly to see who is completing this piece of homework. Please contact the school office if you need a username and password reminder for your child.

British Values

Democracy

Next Thursday 6th May, your parents and other adults (over the age of 18) will get the chance to vote in local elections. These elections give people the opportunity to have a say in how they want our city to be run and managed and who runs local services such as schools, libraries and bin collections.

The British Value of 'Democracy' reminds us that as a group of people we have equal rights and the freedom to choose how we are treated, rather than one person having all the power and makes all the decisions. Local elections give us the chance to vote for one person who we feel will represent our ideas and values best.
