Dear Sir/Madam

22nd April 2021

Lockdown has been difficult for everyone! We've all been cooped up inside on our technological devices for far to long. Consequently, our outdoor space feels even more important. Unfortunately, our school playground is very dull, dark and mostly concrete!

At Raddlebarn School we are on a mission! We have come up with 'Raddlebarn in Bloom' to turn our boring outdoor area into a flower paradise! Delightfully, we want to add colour and life to the drab playgrounds. We also have a garden area, which we would love to fill with plants. This will be used by pupils for outdoor learning: from studying how plants grow to painting nature in art lessons.

We are therefore politely asking if you would be so kind as to donate us a plant in a pot or a planter. To demonstrate our thanks, we will be creating special labels to attach to each plant so that we can recognise which plant comes from which person or business!

If you would be so kind as to donate us, please get in touch via enquiry@radlbarn.bham.sch.uk FAO MRS BRILL to arrange drop off in a covid safe way. Many thanks for taking the time to read this letter.

Mehrish, a Year Six pupil.
