Young Voices Biggest Sing

A huge well done to everyone in our Year 3 choir who took part in the Young Voices Biggest Sing last week! This was a record-breaking attempt for the largest simultaneous sing-along, at the same time raising money for children's mental health charities.

The harmonies were amazing and we are really proud of your singing.

A big thank you to Mrs Bolton for her dedication and hard work to prepare our choir for the event.

We are still waiting to hear whether the event has entered the Guinness World Records. We will keep you posted!

Homework

This week's homework is all about Shakespeare and the settings for his story - what is your happy place? Can you draw a picture of it and describe how it makes you feel?

It was too hard to choose a homework hero this week because there were lots of lovely posts about how they had celebrated Father's Day with their father figures.

Keeping Active – Keeping Healthy

Everyone has been working so hard to help to improve and raise awareness of children's health and well-being over these last few months. For some new ideas of little extra things to do please follow this link for part 17...

This Weeks British Value

Individual Liberty

At Raddlebarn, we appreciate that everyone has a voice and has a chance to be heard. Together we create a relaxed environment so that everyone can express their individuality. This is especially important in our PSHE lessons, in which we often discuss subjects where people have different views and opinions. To create an equal and balanced society we need everyone to feel confident when sharing their thoughts and ideas and to know that these opinions will be treated with respect.

The British Value of 'Individual liberty' means each of us having the freedom to make our own choices and doing and saying what we want or believe – within reason, as long as it doesn't hurt others.
