Pupil Voice

Our children were really enthusiastic about art, with lots of children still commenting that art is their favourite subject.

'We do printing with blocks.'

'We have art days. It's always fun.'

'My teacher did an example of her sketching and made the start of her block.'

'In a previous lesson we learnt how to draw a 3D shape as well as stippling, smudging and lots of types of hatching.'

'My teacher challenges me by making me add extra details or putting in skills like cross-hatching to my work.'

Other news

We are really proud of the progress we have made in art over the past year. Miss Huxley and I will be sharing our curriculum journey with other schools in our consortium in January.

Later in the year, we hope to hold a whole school art competition and gallery. We hope to invite parents in to view the artwork. Information regarding this will be sent out in due course.

Miss Alvarez has begun a lunchtime art club and would love any donations of art equipment that is no longer used at home. Please let me know if you are able to donate anything (e.g. acrylic paint/watercolours/paintbrushes). Either email in or grab me on the playground.
