Year 6 Standard Assessment Tests

This notice explains how your child's Year 6 Standard Assessment Tests (SATS) data is processed, in line with data protection regulations (GDPR). We are committed to protecting the privacy of your child's information and ensuring it is used responsibly.

What Data is Collected and Why?

We collect your child's SATS results to:

Assess your child's progress:

This helps us identify areas where they are excelling and where they may need additional support.

Monitor school performance:

SATS data is used to evaluate the effectiveness of our teaching and learning programs.

Meet statutory reporting requirements:

We are required to share data with the Department for Education (DfE) for national assessments and accountability purposes.

Who Has Access to Your Child's Data?

Your child's SATS data may be accessed by:

School staff:

Teachers, teaching assistants, and school leaders who are involved in supporting your child's learning.

Local Authority:

Local authority representatives who monitor school performance.

DfE:

The Department for Education uses SATS data for national reporting and analysis.

Third-party providers (with your consent):

We may share data with external assessment bodies or educational consultants for specific projects or assessments, with your explicit consent.

How Your Child's Data is Kept Safe:

Secure storage:

Your child's SATS data is stored securely, both digitally and physically, to prevent unauthorised access.

Data sharing agreements:

We have agreements in place with all parties who access your child's data, ensuring they comply with data protection regulations.

Data security measures:

We employ robust data security measures, including strong passwords, encrypted storage, and regular security audits.

Your Rights Under GDPR:

You have the following rights regarding your child's SATS data:

Right to Access: You can request to see a copy of your child's SATS data.

Right to Rectification: You can request that inaccurate data be corrected.

Right to Erasure: In certain circumstances, you can request that your child's data be erased.

Right to Object: You can object to the processing of your child's data for direct marketing purposes or if you believe the processing is causing you distress.

Right to Data Portability: You can request that your child's data be transferred to another organisation.

Right to Complain: If you are unhappy with how your child's data has been handled, you can complain to the school or the Information Commissioner's Office (ICO).

How to Make a Request:

To make a request related to your child's SATS data, please contact our the school office through enquiry@radlbarn.bham.sch.uk

Further Information:
